

ASA South West – Coaching Needs Questionnaire

ASA South West are working closely with Skills Active and our County Sports Partnerships to offer further bursaries towards teacher and coach education courses in 2008. These courses will be planned across the region according to demand and need.

To ensure that these bursaries are offered to the right people, we need to know from you what your clubs requirements are over the next year.

Please complete the online questionnaire by Monday 7th January and submit to Kate Smith via e-mail at kate.smith@swimming.org

We will be looking to roll out courses from March 2008 onwards.
